

What is Kid's Fest?

Kid's Fest is a **Family Event** designed to support our children in spiritual growth and adventure. This will be a weekend full of excitement and is designed for Preschool through 8th Graders. Kids and their families will walk away with a greater desire to serve the Lord and will be challenged to boldly proclaim God's word.

This will be a time of fun, high energy worship and kid friendly Bible study. Our theme "Go Fish" will show kids and their families how they can tell others about Jesus' love through outreach in their local church and communities.

This is a **Family Event** you won't want to miss.

We want our children to be loved and to provide opportunities for our children to serve others in love.
(1 John 4:7-8)
